Custom Packaging For Your Business

Duplex Board (**Grey/White**)

(180 GSM to 500 GSM)

Key Features of Duplex Board

Customizable Coatings:
Available in coated and uncoated variants for different end uses.

Excellent Printing: Ideal for high-quality offset and gravure printing. Perfectly suited for premium embossing and foil stamping.

Unmatched Production Capacity: The largest single machine in India with a production capacity of 1,000 tons per day.

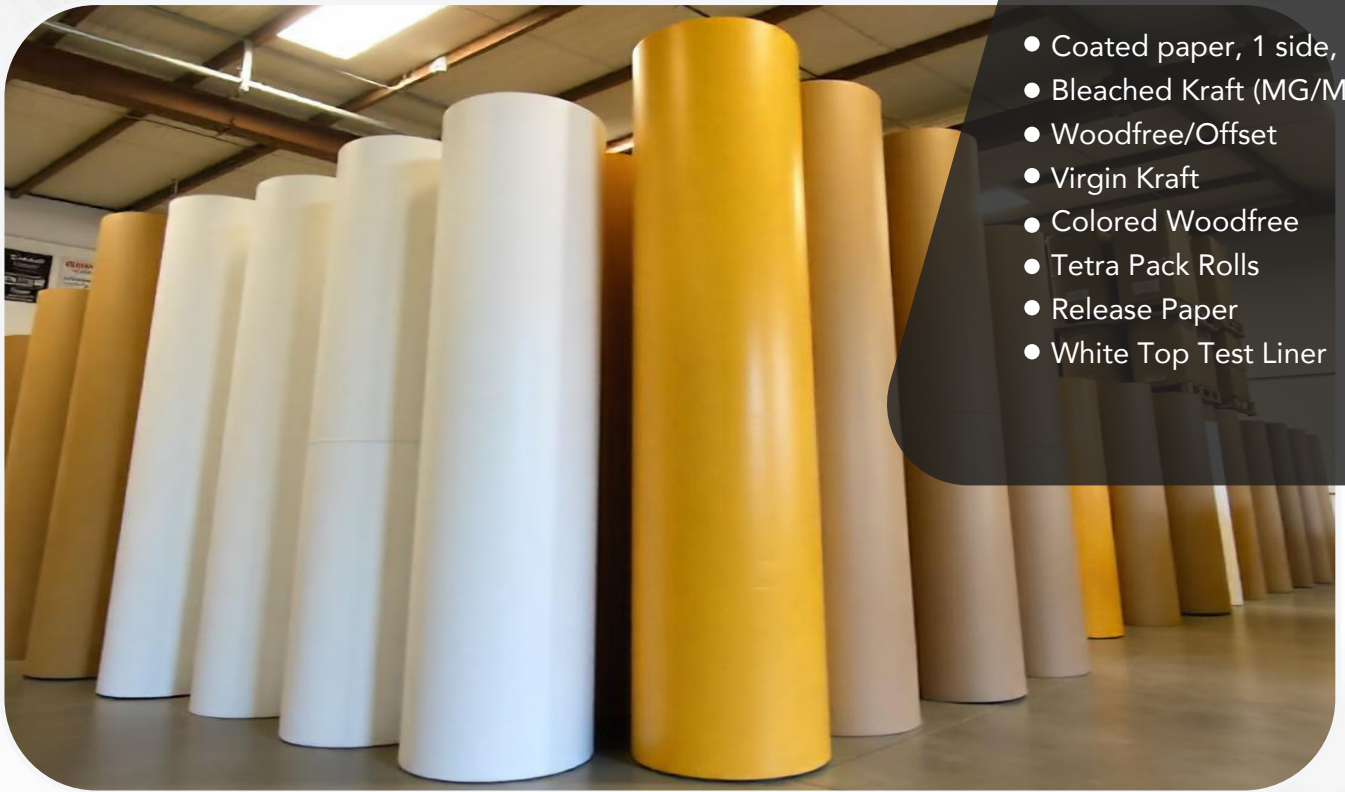

Four-layered structure:
Greater structural integrity Improved print quality due to smoother and denser top layers.

Environmentally friendly: Fully recyclable, biodegradable, and crafted to minimise environmental impact—making it a responsible and sustainable choice for eco-conscious packaging.
